

Press Release

Bank of Innovation Inc.

March 7, 2007

Video Search Engine Fooooo launched

World's top class amount of videos

You can search 23,000,000 videos out of 50 international video sharing sites.

Bank of Innovation Inc. (established in Shinjuku, Tokyo)

We launched a Video Search Engine Fooooo that can search 23,000,000 videos out of 50 international video sharing sites.

<http://www.fooooo.com/>

Fooooo searches from major video sharing sites such as YouTube, stage6, ameba, and dailymotion.

At the moment, it is a beta version. Functions such as community and category are to be added in the future.

Product/ Service Detail
